

LITTLE BROTHER HEAD CAM

BODY WORN DIGITAL EVIDENCE GATHERING.

Lightweight, tamperproof and evidence admissible, this system ensures that whatever is seen or heard is captured.

The "Little Brother" Body Worn Video System combines advanced Digital Video / Audio capture with instant visual display and playback and is recorded onto a high capacity, solid state memory. Using bespoke security software specifically customised for law enforcement, the system meets and exceeds all mandatory and desirable UK Home Office head cam guidelines.

Superior camera technology gives excellent day and night video quality. Audax Body Worn Video Systems are currently being used in more than 60 Police Forces Worldwide..

PROVEN TO SAVE REPUTATIONS AS WELL AS TIME & MONEY!

- Complaints against the police reduced by 14.3%
