Trade Counter Returns

Items purchased from our Trade Counter Facility must be returned within 14 days of purchase together with the Sales Receipt and are subject to a 10% re-stocking fee. Items will not be accepted without proof of purchase.

Faulty or Damaged Products

We will refund the purchase price together with the delivery charge for any product which is delivered in a damaged or faulty condition.

We will warranty any product which develops a fault within a period of 6 months from delivery (other than due to normal wear and tear, failure to follow instructions or misuse) Niton will replace the product with the same, or a similar product (subject to stock availability).

Once six months from date of purchase have passed you will be referred to the Manufacturers warranty, therefore it is imperative that you keep the documentation supplied with your product.
